ISSP 2005 – Work Orientations III

Questionnaire (English)

Canada's Capital University

Dear participant:

We're inviting you to participate in Canada's contribution to a vital international project. This national survey is part of an international survey called the International Social Survey Programme. Carleton University is a member of this non-profit academic organization of over 40 countries. The knowledge we gain from this study of peoples' ideas about 'Work' and the 'Role of Government' will help researchers from all over the world understand how people from different countries feel about these issues.

WHICH FAMILY MEMBER SHOULD FILL IT OUT? NOT NECESSARILY THE PERSON WHOSE NAME IS ON THE ENVELOPE. TO ENSURE A RANDOM SAMPLE OF CANADIANS WE WOULD LIKE THE PERSON OVER 18 WHOSE BIRTHDAY COMES SOONEST AFTER TODAY TO ANSWER THE SURVEY. It's extremely important to the validity of this study that THIS person complete and return the questionnaire.

You do not have to have any special knowledge; we are just interested in your opinions. All the information you give us will be strictly confidential and will not be associated with you or your household after you mail it back to us (ONCE THE SURVEY IS REMOVED FROM THE ENVELOPE THERE IS NO WAY OF ASSOCIATING YOUR RESPONSES WITH YOU).

We need your help in completing this survey. It will only take a short time. When you've completed it please mail it back to us in the stamped self-addressed envelope.

If you have any questions or concerns please contact our Research Director, Heather Pyman at (613) 520-7420 or by email hpyman@ccs.carleton.ca

I really appreciate your time and thank you for your efforts.

Sincerely,

Jon Pammett, *Director*
Carleton University Survey Centre

P.S. If you would like more information about the Survey Centre or the International Social Survey Programme you can view our website at <http://www.carleton.ca/cusc>

Please complete the survey and return it in the self-addressed, stamped envelope.
