Acknowledgements

The fieldwork of the 2008 European Values Study was financially supported by universities and research institutes, national science foundations, charitable trusts and foundations, companies and church organizations in the EVS member countries.

A major sponsor of the surveys in several Central and Eastern European countries was Renovabis.

Solidarity initiative of the German Catholics with the people in Central and Eastern Europe: Project No. MOE016847 <http://www.renovabis.de/>

An overview of all national sponsors of the 2008 survey is provided in the "EVS 2008 Guidelines and Recommendations" and the "EVS 2008 Method Report", and on the website of the European Values Study <http://www.europeanvaluesstudy.eu/evs/sponsoring.html>.

The project would not have been possible without the National Program Directors in the EVS member countries and their local teams.

Gallup Europe developed a special questionnaire translation system WebTrans, which appeared to be very valuable and enhanced the quality of the project.

Special thanks also go to the teams at Tilburg University, CEPS/INSTEAD Luxembourg, and GESIS Data Archive for the Social Sciences.

Hello. I am from the TNS mrbi. We are carrying out the Northern Ireland part of a European-wide study on what people value in life. This study will interview samples representing the European people. You have been selected at random as part of a representative sample of the Northern Irish public. I'd like to ask your views on a number of different subjects. Your help will contribute to a better understanding of what people all over Europe believe and want out of life.

We start with some questions about life in general, leisure time activities and work.
