**Social Science Telephone Interviews among the
General Public via the Mobile Phone Net
(CELLA 2.0)**

- Questionnaire -

Questionnaire with variable labels

Note: **bold** = has to be read out; *italics* = can be read out; normal = information for the interviewer; (**) = mobile phone questionnaire only, (*) = landline questionnaire only

Coding	Question	Routing skips/ Filter
Question x1:	How does the person answer the phone?	
1	Saying the surname	x4_m(**), x4f_f(*)
2	Saying the first name	
3	Saying the full name	
4	Saying the telephone owner's name („Mr. XY's phone, Z speaking.”)	
5	Name of the company	
6	“Yes”	
7	„Hello“, „Hi“, „Good evening“, ...	
8	M-Hm, incomprehensible sounds	
9	other	

<p>Question x3a@m: (**) „Good morning/afternoon/evening, I'm calling from the forsa institute of opinion research. The institute is currently conducting a study of public opinion on different topics in the entire federal territory. Please do not mistake us for cold-call advertising, or even sales; We solely conduct a census. To which of the following age groups do you belong?</p> <p>1 Person is 16 years or older → x3e_m</p> <p>2 Person is younger than 16 years → x3b_m</p> <p>3 Abort → x4c</p>	<p>Question x3a@f: (*) Good morning/afternoon/evening, I'm calling from the forsa institute of opinion research. The institute is currently conducting a study of public opinion on different topics in the entire federal territory. Please do not mistake us for cold-call advertising, or even sales; We solely conduct a census. For our interview we need to pick a random person from your household; could my respondent please be the person who (each 50%: either: 'who last had birthday' or 'whose birthday was the last before the day.month / first after the day.month') and is at least 16 years old.</p> <p>1 Interview → v1</p> <p>2 Fixed Date → x4b</p> <p>3 Refusal → x4c</p> <p>4 Neutral cancellation → x4d</p>
<p>Question x3b@m: (**) Unfortunately, I can only interview a person over 16 years. Is this your own mobile phone, or do you share it with someone else?</p> <p>1 Own mobile → x3d_m</p> <p>2 Shared with someone else</p> <p>3 Abort → x4c</p>	
<p>Question x3c@m: (**) Could I then please talk to one of the persons you are sharing the mobile phone with and who is at least 16 years old?</p> <p>1 Person is available and willing → x3e_m</p> <p>2 Person is available but refuses → x4c</p> <p>3 Nobody over 16 available → x4d_m</p> <p>4 Abort → x4c</p>	
<p>Question x3d@m: (**) I am sorry, unfortunately I cannot conduct the interview with you. Nonetheless, many thanks for your interest. Good bye</p> <p>→ x4d</p>	
<p>Question x3e@m: (**) INT.: Enter Interview/Date/Refusal or Neutral cancellation</p> <p>1 Interview → v1</p> <p>2 Fixed Date → x4b</p> <p>3 Refusal → x4c</p> <p>4 Neutral cancellation → x4d</p>	

	QUESTION BLOCK FOR COMPANIES		
(Question x4)	Good morning/afternoon/evening, my name is [first name, surname], calling from the forsa institute of opinion research.		
	Question x4_m The institute is currently conducting a study of public opinion and your number has been randomly chosen. (**) <i>Please answer the following questions concerning your private use of the phone only.</i>	Question x4_f The institute is currently conducting a study of public opinion. Is this a business telephone only, or could I call you back on this number later after work? (*)	
1	Interview		→ v1
2	Fixed Date		→ x4b
3	Refusal (only if the telephone is used for private purposes too)		→ x4c
4	Neutral cancellation (business telephone only)		→ x4d

START INTERVIEW

Text:	Your statements are voluntary and will be handled anonymously, of course.			
Question v1:	Could you tell us how many minutes you talk on the phone on average per day? By this we mean incoming and outgoing personal calls, from your mobile as well as landline. On further query: <i>The daily average can be related to the last month.</i> hh:mm 8 Don't know 9 N/A 7 Abort			→ x4e1
	a scaling effect split Split 33% Question v1a: Open entry! 1 hh:mm 2 Don't know 3 N/A 4 Abort → x4e1 hh → v1as mm → v1am	b scaling effect split 33% Question v1b 1 up to 30 minutes 2 up to one hour 3 up to two hours 4 up to three hours 5 more than three hours 8 Don't know 9 N/A 7 Abort → x4e1	c Skaleneffekt Split scaling effect split 33% Question v1c: 1 up to five minutes 2 up to fifteen minutes 3 up to thirty minutes 4 up to one hour 5 more than one hour 8 Don't know 9 N/A 7 Abort → x4e1	

Question v2:	What have you been doing, just before we called you? Have you... In case of multiple entries, please choose the main activity.	
1	been working – school and university work included	→ x4e1
2	been relaxing or engaged in leisure activities, e.g. reading the newspaper, sports, socialising, going for a walk	
3	been following personal needs, e.g. eating, drinking, sleeping	
4	been distracted mentally, e.g. pondering, daydreaming	
5	been disturbed by an unforeseeable disturbance	
6	been doing other things, e.g. domestic work like cleaning, washing dishes, shopping	
7	been disturbed by physical impairment, e.g. illness, head ache, feeling unwell	
8	been watching television	
9	been working on the computer / been playing / been surfing the internet	
10	driving in the car	
11	just came back home	
12	shopping	
13	Chatting with partner	
14	dealing with their children	
15	reading	
16	talking on the phone	
17	other	
98	Don't know	
99	N/A	
97	Abort	

Filter if contact via mobile phone → t2

Filter in contact via mobile phone → t2			
Question t1:	Do you own a mobile phone that you use for personal purposes (=non work related)? (*) This does not include wireless phones used inside houses.		
(Äquivalent to question 13a)	<i>In case of further enquiries: Mobile phones are small handy phones with which you are available anywhere through a number that has a special prefix such as 0171.</i>		
1	Yes		→ t6
2	No		
8	Don't know		
9	N/A		→ x4e1
7	Abort		

Question t2: From here: Corresponds to question 13c	Does your mobile phone have an additional landline number, as they are offered under names like o2-Homezone, Vodafone Zuhause und T-Mobile-at-home. In case of further enquiry: <i>These are services offering lower tariffs when close to a fixed address.</i> <i>The mobile phone has two numbers – one with a mobile-prefix, starting with 015.., 016.. or 017.. and the other one with a local landline prefix.</i>	
1 2 8 9 7	Yes No Don't know N/A Abort	→ t6 → t6 → t6 → x4e1
Question t3:	Am i talking to you on your mobile with an additional landline-number?	
1 2 8 9 7	Yes No Don't know N/A Abort	→ x4e1

Question t6:	There are plenty of options to make a phone call, for example via landline, mobile phone, so-called 'homezones' and over the internet. Which of these options do you use? Do you use...	
Question t6a:	an analogue landline telephone? Only one connection is operating. Simultaneous use of fax and phone for example is not possible. The Telekom (German telecommunication company) calls the analogue connection 'Standard' in their billing.	
1 2 8 9 7	Yes No Don't know N/A Abort	→ x4e1
Question t6b:	an ISDN-landline? With ISDN (German brand name by Telekom) various phones can be used at the same time through the same connection, e.g. fax and telephone. The Telekom calls the ISDN connection 'Universal' in their billing.	
1 2 8 9 7	Yes No Don't know N/A Abort	→ x4e1
Question t6c:	a DSL connection? On further enquiry: DSL is a high speed internet connection.	
1 2 8 9 7	Yes No Don't know N/A Abort	→ x4e1
Question t6e:	a different connection, e.g. telephone via television cables, electricity cables or satellite? <i>1 = applies / 0 = does not apply</i>	
@t6e1 @t6e2 @t6e3 @t6e4 @t6e5 @t6e6 @t6e7 @t6e8 @t6e9	Yes, television cable Yes, electricity cable Yes, satellite Internet /Skype Other No Abort Don't know N/A	→ x4e1
Question t@7@: Data without labelled answers	If you deliberate: Under how many German landline numbers are you currently reachable? Help for interviewers: We are only interested in German landline numbers starting with prefixes of the domicile. I.e. if the interviewee mentions numbers from abroad or numbers that start with 032 or 0700, please do not include them in the final amount. The prefixes 032 and 0700 are "mobile" landline numbers, which can be taken along when the owner moves houses within Germany.	
98 99 97	Numeric field valid 0 to 25 don't know N/A Abort	→ x4e1

If (LANDLINE ONLY) t1 = 2,8,9 → es2.

Question v3a:	Who does usually use your mobile phone? (**)	You have stated, that you possess a mobile phone. Who does usually use it? (*)	
1 2 3 4 5 6 8 9 7	do you only use it yourself or do others use it once in a while (partner, children, housemates) or do you share it with someone else in equal parts? do not use it at all others use it frequently (children, ...) other (open end) Don't know N/A Abort		→ x4e1
Question v3b:	Do you pick up the phone of other members of the household or friends when it rings?		
1 2 3 4 5 6 8 9 7	Yes, always Yes, mostly Yes, rarely No, never Only when asked Members of the household or friends don't have mobile phones Don't know N/A Abort		→ v4 → x4e1
Question v3c	How likely or unlikely would you consider being polled on someone else's mobile?		
1 2 3 4 5 8 9 7	Very likely likely fifty/fifty unlikely very unlikely Don't know N/A Abort		→ x4e1
Question v4:	On how many German mobile phone numbers are you personally currently available on? Please do not consider landline numbers, such as o2-Homezone, Vodafone Zuhause, T-Mobile-at-home. On further enquiry: <i>In this case we are not interested in information on other members of the household.</i>		
1 2 3 4 5 6 8 9 7	One Two Three Four Five Six or more Don't know N/A Abort		→ x4e1
Question v8a:	Is your mobile phone always turned on, i.e. ready to receive? Or do you sometimes turn it off?		
1 2 8 9 7	Always on Sometimes off Don't know N/A Abort		→ v9a → x4e1
Question v8b:	How often do you have your phone ready to receive?		
1 2 3 4 8 9 7	Daily Several times a week Several times a month Less frequent Don't know N/A Abort		→ v9a → v9a → x4e1
Question v8c:	We would like to specify: How many hours a day do have your phone ready to receive on average?		
Data without labelled answers 98 99 97	Numeric field valid answers: 1 to 24 and 97 to 99 Don't know N/A Abort		→ x4e1

Question v9a:	When on route, do you usually take the mobile phone with you? Do you do so always, often, sometimes, rarely or never?	
1 2 3 4 5 8 9 7	Always Often Sometimes Rarely Never Don't know N/A Abort	→ v12a → x4e1
Question v9b:	And where do you usually carry it, when you take it with you? <i>I = applies / 0 = does not apply</i>	
@v9b1 @v9b2 @v9b3 @v9b4 @v9b5 @v9b6 @v9b7 @v9b8 @v9b9	You carry it on you (e.g. in your pockets) In the handbag, a backpack or a suitcase I usually do not carry it with me in the car/in the glove box in the car Varying Other Abort Don't know N/A	→ x4e1
Question v12a:	Does your mobile phone have bluetooth?	
1 2 8 9 7	Yes, it does No, it doesn't Don't know N/A Abort	→ es2 → es2 → es2 → x4e1
Question v12b:	How often do you have your bluetooth turned on?	
1 2 3 4 5 8 9 7	Always Often Sometimes Rarely Never Don't know N/A Abort	→ x4e1

ATTITUDE STRENGTH

To all groups

	I will read out some statements. Please tell me about each statement to what extent it applies to you. For that purpose, please use a scale from 1 to 5, with 1 meaning that it 'does not apply to me at all'. 5 means that the statement 'fully applies'.	
Question es2:	I am interested in the subject of 'mobile telephony'.	
1 2 3 4 5 8 9 7	Does not apply at all Fully applies Don't know N/A Abort	→ x4e1
Question es3:	In my daily life 'mobile telephony' plays an important role.	
1 2 3 4 5 8 9 7	Does not apply at all Fully applies Don't know N/A Abort	→ x4e1
Question es4:	Have you ever heard about the decision of the Federal Office for Radiation Protection, which plans to introduce a so-called radiation badge, in order to reduce mobile phone radiation in certain parts of German cities; or have you not yet heard about that?	
1 2 8 9 7	Yes, heard about it No, not heard Don't know N/A Abort	→ x4e1

To all user groups

Question b0:	I will now read some statements to you. Please tell me about each statement to what extent it applies or does not apply to you. A 5 means that the statement 'fully applies', a 1 means that it 'does not apply to me at all'. You can use the values in between 1 and 5 for gradation.	BIG 5
