<p><u>If don't remove U.S. missiles: In what way would you say the two cases are different?</u></p>	American bases set up openly; Cuban bases set up secretly and denied in spite of all evidence that they did exist	10	1	2	1
	American bases are a part of NATO. The bases were set up under conditions of the alliance agreement	5	#	2	1
	Cuba was a new attempt at upsetting the balance of power. The American bases are already established - Russia also has established bases, but Cuba is a new one	11	1	4	1
	America is a more trustworthy, responsible nation	14	1	3	1
	Russia has missile bases near Europe, we need U.S. bases for protection. U.S. bases non-aggressive, Russian bases aggressive.	127	13	35	13
	Cuba was much nearer, the American bases are not as near, not as dangerous, Strategic difference	17	2	1	#
	Not different but America must keep them. Show power by keeping them, not withdrawn	4	#	2	1
