**June-August 2012**

**Entrepreneurship in the EU and beyond**

Survey conducted by TNS Political & Social, upon the request of the European Commission Directorate-General Enterprise and Industry, and coordinated by Directorate General-Communication ("Research and Speechwriting" unit).

Archive dataset version 1.0.0 (2013-03-21)

**Archive information and errata:**

- This survey includes the 27 EU member countries, 5 candidate and EFTA countries, Israel, USA, Brazil and the Asian countries South Korea, China and India. All surveys were conducted by telephone, except in India (face-to-face). The sample size is n=1000, except for the United States of America (n=3000). The **regional coverage is limited to metropolitan areas in the cases of China** (the municipalities of Beijing and Shanghai plus eight province capitals) **and India** (National Capital Territory, four state capitals and the state metropolis Ahmedabad). The population size weights for China and India are calculated accordingly.
- The dataset includes SYSTEM MISSING values due to question routing.
