Business survey, August 2002

ARCHIVE INFORMATION AND ERRATA

- Weighting variables for sample internal redressing (*wcountry*) and for analysing all samples together, i.e. the European Union as a whole (*weur15*) are available.
- No documentation was provided for variables *db_sic* and *db_nace*. Official lists of NACE and SIC classifications of economic activities have been attached by the archive.
- In variable *quest* the questionnaire id '2000154' is not unique, but does not represent a duplicate case. A unique serial case number (*uniqid*) was appointed by the archive.
