How to fill out this questionnaire

To answer these questions all you have to do is to tick (✓) a box or boxes, or write in the space provided. After some questions, there is an instruction in **bold type** explaining what to do. Some questions may not apply to you, in which case there are instructions on which questions to go to next.

The questions cover a wide range of subjects, but no special knowledge is required and there are no right or wrong answers. We just want to know your *own personal opinions*.

Returning the questionnaire

When you have completed the questionnaire, please post it back in the reply-paid envelope, **as soon as you possibly can**.

Enjoy the questionnaire, and thank you for your help.
